

Consulting & Coaching Programs

What we Do:

We Consult, Mentor on the Mind, Body, Business, Spirit interconnection, as a Whole as if one is out of sync it affects the whole. All of our Platforms are Multi-Sensory and Interactive using a blend of Eastern and Western Philosophies, Methodologies and Techniques taught in a very grounded way that has daily practical applications.

We take You on a Journey from Cocoon to Flight thru Learning, Playing and Growing thru Creative Conscious Co-Creation.

It takes Your Willingness to want to Soar- come out of your Cocoon, and then Choose Change - Transmutation and your Collaboration in Co-Creating with Us, as this Journey is about You... We are part of your team and Collaborators on Your Journey.

SERVICES: Consulting, Coaching, Courses

The Art of Conscious Business Collaborations

Conscious Business Collaborations

Conscious- Being aware of the impact of our Ripple Effect in what we say, post, write, do etc...

Business- Treating what we do like a business otherwise people tend to do more things without prior thought to the results or outcomes of their actions.

Collaborations- It is thru collaborating with others that we Learn, Play, and Grow which ultimately leads to being better able to serve others, more business, and a network of referrals.
